Nicole I can't count all of beautiful memories, my favorite and most special was the birth of our son Matthew. We began our young lives together and we tried to make the best of what we had, not knowing the obstacles that lay before us. I'm glad that I can look back and see more happy times than not so happy times. You will always be Matthew's angel . And I pray you rest sweetly as you deserve.

Dear Chuck & Shar: Words can't express my deepest sympathy to both of you. Nicole was a beautiful young woman with an infectious smile. She loved her son and grandson and looked forward always to share every moment to be with them. I watched her grow from a little girl into an amazingly caring adult. She loved her family, aunts and cousins unconditionally. Even when adversity entered her life she fought hard to overcome it to meet with success. I pray that the good Lord will walk with you on this journey giving you strength and courage. She will remain forever in the hearts of all those she touched throughout her life. I loved her and will always keep her in my prayers. My deepest sympathy my dear friends, Nettie
