Ahhh... My Propane Grammy! She will forever be a part of my husband and my life. I meet her through my work, she was a customer that I truly bonded with almost 15 years ago! She came to my college graduation party as well as a part of my wedding events! We talked dogs, life, and starting a family. It is sad that she will never meet our new baby boy born Nov 15 2023, she would always ask if I was pregnant because she wanted to knit/crochet a blanket and outfit, and it was always sad news to tell her not yet. Well she will be sorely missed. I love you Propane Grammy!

Best Friend, Mentor, Confidante, Partner in Crazy, Business Partner, 2nd Mother. Barb pushed her way into my life 30 years ago and life as I knew it was never the same. Even after we both retired from our business and I moved away she was never more than a phone call away for advise, love or just a kick in the butt. I will miss that beautiful lady for the rest of my life, she truly was unique and special. To this day I live by her words, "It's better to stay out than get out". As a woman in business I can only be grateful and proud of her fight to make it easier on my generation and those that come after for breaking that glass ceiling and making it just a little easier for women to get ahead. Rest in Peace my best friend, I will love you forever. Judy MA/NC/SC

Jan Whitton lit a candle in honor of Barbara.

Barbara was a wonderful lady. We enjoyed spending time with her at our family parties. She enjoyed spending the day with her family and grandchildren and was always up for the Easter egg hunt. We raise a toast of cabernet sauvignon knowing that she is at peace now reunited with her special puppy, family and friends in heaven. We send our love and hugs to the Foster family. Jan and Dennis
