Dear Barbara.. You will be missed by Me. And by many others I loved when I used to make you laugh and the way you used to say my name.. You befriended me from the beginning and I loved that. Things you would share with me and the laughters that we had. Heaven has received a beautiful angel.And I will once again See you. When it's time to gain my angel wings. My heart is still heavy... I know you're looking down on all of us and wishing us the best. Sending you big Hugs. And I'm still laughing from some of the jokes you have told me. You will never be forgotten You were the most kindest soul.And still are.. RIP Barbara.. Till we meet again and then I will make you laugh again. Love always Donna. 😞❤️🙏🏻
