“ My sincere sympathy to Margaret's family and friends on her passing.

She was a great co-worker along with her longtime friend Ann Murphy. I remember all the stories and adventures they had in Ireland. They are now together celebrating with the angels. RIP my friend

“ Anita, my deepest sympathy to you and your family. Margaret was such a joy to be around. I will never forget her kindness and compassion in accompanying me to a routine medical procedure a few years ago (as I had no one to drive me there and home, she volunteered!). She waited for over an hour for me, took me home and stayed with me. She was a beautiful light that will forever shine. Fondly, Krista.
